REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: As stated in the Board Decision dated 19 August 2010, the prior art used "fails to teach or suggest at least one of the disputed features. Neither reference describes, and the reference combination does not teach or suggest, a decoder that performs the functions of determining a target branch address from a pre-programmed stored value and a program counter value, and branching to a sub-routine at the determined target branch address based on a result of the comparison (BPAI Decision page 7).” For these reasons set forth in the Board Decision dated 19 August 2010, the claims are found allowable.
2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”
3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to AIMEE J. LI whose telephone number is (571)272-4169. The examiner can normally be reached on M-T 7:00am-4:30pm.
4. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Eddie Chan can be reached on (571) 272-4162. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
